Arena # 2	1 premium plus 1 other, \$ 800 per year plus GST
Arena # 2	1 premium, \$600 per year plus GST
Arena # 2	1 other, \$400 per year plus GST

**Materials:** 39" x 96"- 0.040" ABS board or - 0.040" Styrene for sign

**Design Size:** 30" high X 96" wide - centered

**Artwork:** To be provided directly to the sign manufacturer in an electronic format. It is recommended to use a light coloured background while maximizing the size of the logo. No more than 30% of the banner should be dark colour (black, dark blue, etc.) as the puck tends to blend into the boards.

**Final Proof:** Before artwork is finalized, a proof must be sent in electronic format to the Municipality of North Grenville for final approval.

### Installation and Production Cost:

The cost of producing the sign and installation is not included in the advertising fee.

**Polycarbonate Cover:** A clear polycarbonate sheet (Lexan) will be used to cover the sign for it's protection. All costs incurred for the supply of the Lexan will be the responsibility of the Municipality. Installation of the rink boards is \$50 per board.
